Teaser	If you operate a family care home, you can apply for a parking permit. With this, you are allowed to park in certain areas for the duration of your work assignment.
Volltext	Family care vehicles can receive a parking permit from the responsible authority. This can, for example, entitle the holder to park free of charge in restricted stopping zones, resident parking zones or parking management zones (parking spaces with parking meters or parking ticket machines). The exemption is usually only valid for certain individual family care activities. Note the exact contents of the exemption permit. When using the exemption permit, above all, other persons must not be endangered or hindered.
