Teaser	Would you like to set up a second branch as a structural engineer? Then you need a permit.
Volltext	Building authority-recognized test engineers for structural analysis can set up a second branch office. The establishment requires the approval of the recognition authority.
Erforderliche Unterlagen	The application must be accompanied by the evidence required for approval, in particular information on 1. the responsibility for the activity in the secondary establishment, 2. the employees who are to be involved in the inspection activity and 3. to ensure the supervision of proper construction work.
Voraussetzungen	If you want to set up a secondary establishment, you must fulfill all the requirements that are also necessary for a main establishment. These include - A room is available for each branch office where you can practice your profession - You or a representative can be contacted at each branch office - You can carry out your duties as a test engineer - Supervision by the respective chamber is ensured
Kosten	Fees according to tariff item 7.1.2 of the Brandenburg

Modul	Sachverhalt
	Building Fee Regulations - €200
Verfahrensablauf	The application for approval to establish a second branch office must be submitted to the recognition authority for structural engineers. Submission of proof of the approval requirements. Examination of the approval requirements by the recognition authority. Approval by decision, if necessary in agreement with another federal state, if the requested secondary establishment is located in this state.
Bearbeitungsdauer	As a general rule, the acceptance and publication of the second office of the test engineer takes place within 2 weeks.
Frist	none
