Teaser	Property owners and other authorised persons can request information on known archaeological monuments on the properties in question.
Volltext	Archaeological monuments are movable and immovable property, in particular the remains or traces of objects, buildings and other evidence of human, animal and plant life that are or have been in the soil or water. Initial information on archaeological monuments can be obtained from the geoportal of the Brandenburg State Office for the Preservation of Monuments and the State Archaeological Museum. For legally binding or further information, you can make a request or request access to the file. Insofar as there are no legitimate interests of the owner to the contrary, you will receive access to the files or further information.
Erforderliche Unterlagen	• Proof of ownership and/or • Proof of commissioning with power of attorney
Voraussetzungen	Owners have unrestricted access to the files. The inspection of the files / information must not conflict with the interests of the owner worthy of protection. If necessary, a legitimate interest must be proven.
Kosten	For owners of the monument: none For third parties: depending on the effort, in accordance with the Administrative Fee Schedule for Official Acts in the Enforcement of the File Inspection and Access to Information Act

Modul	Sachverhalt
