Teaser	If you fish for eel professionally, you must keep written records for eel fishing. You summarize these in an annual report for the calendar year and submit it to the upper fisheries authority.
Volltext	If you fish for eels professionally, you must keep written/digital records of your eel fishing. In these records, you must state the fishing area and water body, the total catch weight of the eels, the proportion of silver eels and the type and operating time of the fishing gear used. For the annual report, summarize these records for the calendar year and submit them to the upper fisheries authority.
Erforderliche Unterlagen	
Voraussetzungen	They must be registered for eel fishing, i.e. have a registration number.
Kosten	
Verfahrensablauf	• They summarize their eel fishing and check their data for completeness. • You send the information to the upper fisheries authority. • The upper fisheries authority receives your reports and checks them. If necessary, questions will be clarified with you. • You are obliged to keep the records on which the report is based for at least five years.
