Fachlich freigegeben durch	Ministry of the Interior and Local Government, Department 46
Handlungsgrundlage	§ 37a OBG § 13 BbgBO Circular III No. 78/1994 of November 8, 1994 Explosive ordinance of the state of Brandenburg
Teaser	The examination of a property for explosive ordnance is carried out on request by the Explosive Ordnance Disposal Service at the Central Police Service of the State of Brandenburg (KMBD)
Volltext	The Explosive Ordnance Disposal Service maintains an overview of all suspected explosive ordnance sites in the state of Brandenburg and makes this available to the districts and independent cities. If a construction site is located in an area where explosive ordnance is suspected, proof must be provided that it is free of explosive ordnance before construction work begins. Proof can be provided by a certificate from the explosive ordnance disposal service or, after explosive ordnance clearance has been carried out, by a certificate from the explosive ordnance clearance company carrying out the work.
Erforderliche Unterlagen	• Application form • Map extract with identification of the building project • Parcel map with identification of the parcel • Site plan showing the existing buildings and the planned project • Access permit Proof of ownership
Voraussetzungen	None
Kosten	Abgabe: 50€ - 800€ Cost framework: Fee: EUR 50 - 800

Modul	Sachverhalt
Verfahrensablauf	You can apply for the inspection of a property for explosive ordnance contamination using the form provided online or send it in advance by e-mail: • Fill out the form provided. • Attach the necessary documents • Submit the application documents to the Explosive Ordnance Disposal Service. You will then receive the requested information by post, including a fee notice.
Bearbeitungsdauer	10 to 12 weeks
Frist	None
