## Sachverhalt

strengthened and consolidated,  
• local people are brought together across borders,  
networked and thus an interdependent region is  
created

### Object of funding

The grant is intended to support the conception,  
planning and implementation of forward-looking  
interdisciplinary projects in rural areas of the  
administrative districts of Lower Bavaria, Upper  
Palatinate or Upper Franconia, which have a positive  
impact on the development of the Bavarian-Czech  
border region.

### Recipients of funding

Local authorities, associations and charitable  
foundations based in the administrative districts of  
Lower Bavaria, Upper Palatinate or Upper Franconia  
are eligible to apply and receive funding. Other legal  
entities under public or private law are also eligible if at  
least one member or shareholder is one of the local  
authorities listed above.

### Eligible expenditure

Funding is available for expenditure on personnel,  
travel and accommodation, hospitality at high-profile  
events, public relations work, external consultancy and  
services, investments of less than 50% of eligible  
expenditure and other services provided by third  
parties.

### Type and amount

The maximum funding amount per grant recipient is  
EUR 100,000 per project year. The funding rate is  
between 30% and 90%, depending on the geographical  
scope and project funding already received. The  
project can be supported for a maximum of four years.  
The grant is provided as project funding by way of pro  
rata financing.
