Modul	Sachverhalt
Fachlich freigegeben durch	Bayerisches Staatsministerium für Gesundheit, Pflege und Prävention (Bavarian State Ministry of Health, Care and Prevention)
Handlungsgrundlage	http://www.gesetze-im-internet.de/ifsg/_49.html http://www.gesetze-im-internet.de/ifsg/_49.html
Teaser	Anyone wishing to bring pathogens into the Federal Republic of Germany for the first time, export them, store them, hand them over or work with them must report this.
Volltext	Anyone wishing to commence activities involving pathogens for the first time must notify the competent government at least 30 days before commencing such activities. An activity with pathogens is the introduction of pathogens within the meaning of the Infection Protection Act (IfSG) into the Federal Republic of Germany, the execution, storage, delivery or working with them.
Erforderliche Unterlagen	• Location sketch of the rooms • Certified copy of permit (if permit not issued with this government) or permit exemption information
Voraussetzungen	The notification must contain • a certified copy of the permit (if the permit was not issued by the government to which this notification is made) or information on the exemption from the permit, • Information on the type and scope of the intended activities and disposal measures, • information on the nature of the premises and facilities. If the information has already been provided in another procedure regulated by federal law, reference may be made to the documents submitted there.
Kosten	An administrative fee is charged to the applicant, taking into account the time and effort involved and the importance of the matter (Kostengesetz - KG). Depending on the individual case, the costs generally

Modul	Sachverhalt
	range from €5.00 to €160.00; this information is provided as a guide.
Verfahrensablauf	The notification is made via the online procedure to the government responsible for the company's registered office. If you wish to submit the notification in paper form, please contact the government responsible.
Bearbeitungsdauer	
Frist	You must notify the start of the activity at least 30 days before the planned date.
weiterführende Informationen	
Hinweise	The competent authority must also be notified immediately of any significant changes to the nature of the premises and facilities, the disposal measures and the type and scope of the activity. The termination or resumption of the activity must also be notified (for notification of changes, see "Related services").
