Teaser	Private experts require a license for the examination of officially retained samples.
Volltext	During official sampling within the meaning of Section 43 of the German Food and Feed Code (LFGB) (as well as of tobacco and tobacco products), additional secondary samples are taken for any follow-up examinations, which are left behind at the establishment. Only approved experts are authorized to examine these secondary samples. Private experts require a license for the examination of officially left samples. In Bavaria, this approval is granted by the government of Upper Franconia. The licensing authority checks whether the applicant meets the licensing requirements of the Ordinance on the Licensing of Private Counter-Sample Experts and on Regulations for Official Counter-Samples and on the Amendment of the Federal Counter-Sample Expert Testing Laboratories Ordinance.
Erforderliche Unterlagen	• Resume • official certificate of good conduct • Declaration that no criminal proceedings or investigation by the public prosecutor are pending
