Teaser	The Free State of Bavaria supports the construction and renovation of shooting ranges that are required by shooting clubs for the direct sporting activities of their members.
Volltext	<p>Purpose</p> <p>The purpose of providing investment grants is to enable shooting clubs to build and maintain their own shooting ranges, which they need for the direct sporting activities of their members.</p> <p>Object</p> <p>New buildings, conversions and extensions to the clubs' sports facilities are supported, as well as the acquisition of a property and general repairs if necessary. The prerequisite is that the facility is required for the direct sports activities of the club members.</p>

## Modul

## Sachverhalt

Recipients of funding

Shooting clubs that are members of the Bayerischer Sportschützenbund e. V. (BSSB) or the Oberpfälzer Schützenbund e. V. (OSB) are eligible to apply.

Type and amount

The grants are awarded as project-related subsidies by way of fixed-amount financing.

The funding rate is up to 25 percent of the eligible costs.

## Erforderliche Unterlagen

- detailed project description
- Presentation of the eligibility requirements
- Expenditure and financing plan
- Demonstration of sustainable financial performance
- Declaration that the measure has not yet been started
- Declaration as to whether the recipient of the grant is entitled to deduct input tax in general or for the project in question in accordance with Section 15 of the German Turnover Tax Act (UStG)

## Voraussetzungen

An essential prerequisite for funding is the proven need for the planned sports facilities and their use in accordance with the purpose on which the funding is based. All projects are therefore subject to a criteria-based review, which allows a differentiated assessment of the eligibility of the measures applied for by weighting qualitative aspects.

Important and indispensable prerequisites for funding include the sponsorship of the applicant association with regard to all construction measures applied for and, in principle, ownership or a heritable building right to the funded properties. Public procurement law must be observed; for total grants of less than EUR 100,000 (all public funding), the associations are exempt from the strict formal requirements of public procurement law. The generally applicable grant law provisions, such as the approval of a premature start of measures, the minimum own contribution of 10

Modul	Sachverhalt
	percent and the criteria for determining the eligible costs, are specified in the sports funding guidelines.
Kosten	
Verfahrensablauf	Applications for funding from shooting clubs must be submitted to the responsible government. The governments involve the relevant umbrella organization (BSSB or OSB) and determine the amount of the state subsidy for the construction project after a positive review.
