**Verfahrensablauf**

Assistance for the blind is granted on application. You must submit the completed application form from the district responsible for your place of residence together with the necessary documents.

The responsible office will check your application. If the result is positive, you will receive a corresponding approval notice. The assistance for the blind will be transferred to the account you specified in your application. As a rule, you will receive the money shortly after you have received the notification.

If the result is negative, you will receive a rejection notice.

**Hinweise**

Blind and severely visually impaired people receive blindness benefit regardless of whether they are in need (see "Related topics"). The allowance for the blind is lower than the amount for assistance for the blind. For this reason, people aged 18 and over are entitled to supplementary assistance for the blind. This amounts to the difference of currently 132.28 euros. People who live in residential care facilities such as nursing homes receive a monthly allowance of 66.14
