Teaser	Applicants for the driving instructor license are admitted to the driving instructor test under certain conditions.
Volltext	The driving instructor examination consists of a practical driving test, a specialist knowledge test with a written and an oral part and, for the BE driving instructor license category, a teaching test in both theoretical and practical driving lessons. Passing the driving instructor examination is an essential prerequisite for obtaining a driving instructor license.

Modul

Sachverhalt

Erforderliche Unterlagen

- Driving instructor's license of BE class,
 - identification document,
 - current, extended, official certificate of good conduct (to be applied for at the municipality of residence),

 - professional and pedagogical aptitude,
 - there are no facts that make the applicant appear unreliable for the occupation of driving instructor,
 - at least completed vocational training in a recognized

Modul

Sachverhalt

teaching profession or equivalent previous training (not required if the applicant already holds a category BE driving instructor licence)

- Possession of the driving license for which the driving instructor license is to be issued (note: additional periods of possession required for categories A2, CE or D in accordance with Section 2 (1) No. 7 FahrIG),
- training as a driving instructor in the relevant category in accordance with Section 2 (1) sentence 1 no. 8 FahrIG has begun,
- the knowledge of the German language required to carry out the professional activity.

Kosten

The examination fees are

- for the driving instructor license class BE: EUR 1295.54
- for the driving instructor license class A: EUR 672.98
- for the driving instructor license class CE: EUR 735.48
- for the class DE driving instructor license: EUR 735.48

The fees include the costs for the members of the examination board - with the exception of expenses. The fee must also be paid for parts which, through no fault of the examination board and without sufficient excuse on the part of the applicant, could not take place or could not be completed on the scheduled date.

Verfahrensablauf

The application for admission to the examination must be submitted to the district administrative authority (district administration office or district-free city). This authority also advises the applicant and decides on admission to the examination.

An examination board has been set up at the government of Upper Bavaria to examine the professional and pedagogical aptitude of driving instructors.

Admission is granted for both the practical driving test and the professional knowledge test (written and oral parts), including any repeat tests. Every applicant is automatically scheduled for the examinations once they have been admitted. The applicant must register in writing with the Government of Upper Bavaria for any necessary retakes of the driving test. Please note the respective deadline and the maximum number of missing hours before taking the written examination.

Modul
Sachverhalt

Separate application must be made for admission to the class BE driving test. In addition, the applicant must complete and return to the government of Upper Bavaria the "Lehrproben" form, which the applicant receives from the government after passing the practical driving test and the driving test. An appointment for the driving test will only be made once the approval and the form have been received.

Bearbeitungsdauer
Frist

Admission to the examination should be received at least 6 weeks before the scheduled examination dates. This also applies to the submission of the "Form Lehrproben" by the applicant to the government of Upper Bavaria. The candidate's license is limited to two years (§ 9 Para. 1 Sentence 4 FahrlG); the driving tests must be taken within this period. The applicant must have been trained as a driving instructor in accordance with § 7 FahrlG within the last three years before the driving instructor license was issued (§ 2 Para. 1 Sentence 1 No. 8 FahrlG).
