Teaser	A permit is required to operate a shooting range.
Volltext	If you wish to operate a fixed or mobile facility that is used for shooting sports or other shooting exercises with firearms, for testing firearms or for shooting with firearms for amusement (shooting range), or if you wish to significantly change its nature or the way it is used, you require a permit from the district administrative authority. No permit is required for shooting ranges where shooting takes place in closed rooms exclusively for the testing of firearms or ammunition by firearms or ammunition manufacturers, by firearms or ammunition experts or by scientific institutions. The operator must notify the competent authority in writing or electronically two weeks in advance of the commencement and termination of operation of the shooting range. In the case of mobile shooting ranges, a one-off permit prior to the initial installation is sufficient. The holder of such a permit must notify the locally competent district administrative authority in writing or electronically two weeks in advance of the start and end of operation of the shooting range.
Erforderliche Unterlagen	
Voraussetzungen	The permit may only be issued if the applicant • the required reliability (§ 5 WaffG) and • personal suitability (§ 6 WaffG) and • provides proof of liability insurance for damages resulting from the operation of the shooting range in the amount of at least 1 million euros - lump sum for
