Teaser	An official certificate of competence issued by one of the countries bordering Lake Constance, but which is not valid for Lake Constance, can be recognized for a limited period upon request.
Volltext	Anyone who does not have a Lake Constance skipper's license can obtain a temporary vacation or vacation skipper's license (temporary Lake Constance skipper's license) to operate a boat on Lake Constance. It is valid for 30 days at a time within a calendar year and is only issued once a year. Note: You generally need a Lake Constance boating license to operate a vessel registered on Lake Constance if • the ship or boat is powered by an engine and the engine power is over 4.4 kilowatts • the sailboat has more than 12 square meters of sail area. The vessel must have a license or registration for Lake Constance regardless of the temporary Lake Constance skipper's license.
Erforderliche Unterlagen	• a clearly legible photocopy of your skipper's certificate
Voraussetzungen	Prerequisites for the vacation or vacationer's license are
