Teaser	Motorboats and motor vessels on Lake Constance must be registered. Sailing boats without a motor, paddle boats and rowing boats that are longer than 2.5 meters must be registered.
Volltext	<p>All motorboats and motor vessels on Lake Constance must be licensed. Sailing boats equipped with a motor or with living, cooking or sanitary facilities are also subject to registration.</p> <p>Sailing boats without a motor, paddle boats and rowing boats that are longer than 2.5 meters only need to be registered. When you register, you will also receive a boat license.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Registration certificate in original (in case of change of owner) • Copy of the purchase contract • Copy of the engine emission type test certificate • Owner's manual in national language (German)/CE declaration of conformity • if applicable, certificate of the boat manufacturer that the boat complies with the BSO regulations
Voraussetzungen	<p>The prerequisite for approval is</p> <ul style="list-style-type: none"> • New boats must be certified in accordance with the EU Recreational Craft Directive. • The engine drive must comply with the exhaust regulations of the Bodensee-Schiffahrts-Ordnung

Modul	Sachverhalt
	<p>(BSO) (proof by exhaust type test certificate).</p> <ul style="list-style-type: none"> • The vessel must not exceed a noise level of 72 decibels (dB) at a lateral distance of 25 meters. • The vehicle must be constructed in such a way that it cannot pollute the water or have a detrimental effect on the lake. The lighting must comply with the regulations. Suitable life-saving equipment must be on board.
Kosten	<p>between 20 and 10,000 euros</p> <p>The fees depend on the type and size of the watercraft. The main criteria are engine power, cabin superstructure and sail area.</p>
Verfahrensablauf	<p>You must apply for registration of your boat with the competent authority.</p> <p>An expert will determine the time and place of the first inspection. He inspects the entire boat for its</p> <ul style="list-style-type: none"> • suitability • operational safety and • equipment. <p>The official inspection takes place in all weathers. The boat must be in the water for the inspection and all parts must be accessible. The expert may request a test drive.</p> <p>You will receive the certificate of approval if the boat complies with the regulations during the inspection.</p> <p>Note: If you have lost the certificate of approval or it has become unusable, you can apply for a duplicate from the issuing authority.</p>
Bearbeitungsdauer	<p>The processing time depends on the individual case. Processing usually takes one to two weeks.</p>
Frist	<p>none</p>
weiterführende Informationen	
Hinweise	<p>You must have approved boats re-inspected by the competent authority every three years (re-inspection). You must notify the authority within two weeks of any changes that affect the information on the registration certificate.</p> <p>If you sell your vehicle, you must inform the authority of the buyer's address and future location within two</p>

Modul	Sachverhalt
	<p>weeks.</p> <p>If you move the habitual residence of your vehicle to the jurisdiction of another authority, you must apply for a new registration certificate within two months.</p>
