Teaser	The Free State of Bavaria promotes projects and investments in the arts.
Volltext	<p>In the field of art, cultural investments and projects by non-governmental and non-commercial organizations are to be funded. The funding area covers the whole of Bavaria, excluding measures in Munich and Nuremberg.</p> <p>In the area of education, projects with a cultural focus are to be supported with particular emphasis in the area.</p> <p>The respective district government in whose region the project is to be carried out is responsible for processing the application. If the project is to be implemented in several administrative districts, the district government in whose region the applicant is based is responsible. For projects in the field of education (projects that do not focus on the presentation/performance of culture and cultural performances in front of an audience, e.g. plays, concerts, readings, exhibitions, but on the joint development of different cultural topics), the "Cultural Education" cultural fund would be relevant.</p> <ul style="list-style-type: none"> • Funding for investments in non-state venues (if no funding is provided via FAG funds) • Promotion of special theater projects, such as special productions • Theater sector <ul style="list-style-type: none"> • Promotion of investments in non-state museums • Funding for exhibitions and other projects of non-state museums • Museums <ul style="list-style-type: none"> • Promotion of investments in the construction and
