Teaser	A certificate of competence is required for fumigation with biocidal products or pesticides in accordance with Section 2 (5a) of the Ordinance on Protection against Hazardous Substances (GefStoffV).
Volltext	A certificate of competence is required for fumigation activities with biocidal products or pesticides. An official fumigation permit is also required to carry out these fumigations.
Erforderliche Unterlagen	• Police clearance certificate of document type O of the applicant (for certain fumigations, the authorities may waive the requirement to submit a certificate of good conduct under certain conditions) • Proof of expertise through successful participation in an officially recognised course to impart the expertise required to carry out the planned fumigation operations. • Medical certificate in accordance with § 7 Para. 1 of the Ordinance on Preventive Occupational Medicine The certificate shall attest that there is no evidence that the applicant is physically or mentally unfit for the fumigation activities.
Voraussetzungen	The certificate of competence is issued to applicants who

Modul
Sachverhalt

- is at least 18 years old,
- have suitable vocational training or comparable professional qualifications,
- provide proof of the required reliability (usually by means of a police clearance certificate of document type O),
- has the necessary language skills to carry out the job safely,
- can present a valid certificate of successful participation in an officially recognized training course to impart the expertise required to carry out the intended fumigation,
- has sufficient experience in fumigation,
- can provide proof of first aid training including first aid measures when handling fumigants and
- can provide evidence of their physical and mental suitability for fumigation activities in the form of a certificate from a doctor in accordance with Section 7 (1) of the Ordinance on Occupational Health Care. The certificate must not be older than one year at the time of application.

Kosten

50,00 to 300,00 Euro

Verfahrensablauf

The application must be submitted to the trade supervisory office responsible for the applicant's place of residence.

Bearbeitungsdauer
Frist

The period of validity can be extended by a maximum of six years if the holder of the certificate of competence has completed a training course in accordance with section 4.4 paragraph 5 before the period of validity expires and has applied for an extension.
