## Modul

## Sachverhalt

development institutions are eligible for funding.

Type and scope

The funding is provided as partial financing in the form of grants as part of project funding.

The aid intensity is 40 percent of the eligible costs, increasing by 10 percentage points up to a maximum of 60 percent if the company is based in a "region with a particular need for action", if a university or comparable non-university research institution is commissioned and in the case of micro-enterprises with fewer than 10 employees.

## Erforderliche Unterlagen

- Cost estimate
- Project description

## Voraussetzungen

- Funding is not available for projects that have already begun before the Bavarian project management organization receives a verifiable application.
- Applicants must provide evidence that they are using an appropriate amount of their own or external funds to finance the project, which are not financed by other public aid or subsidized.
- Cumulation with European Union funds or other state aid is generally not possible.
- Companies in difficulty will not be supported. This applies in particular to applicants for whom insolvency proceedings have been applied for or opened.

## Kosten
