Teaser	Specialist centers for family caregivers primarily provide psychosocial advice and support for family caregivers of elderly people in need of care. Their providers can receive a grant as part of project funding.
Volltext	Purpose The purpose of the funding is to ensure a permanent, nationwide service for family caregivers that complements care advice in accordance with Section 7a SGB XI or care management in accordance with Section 11 (4) SGB V. In addition to relatives, other non-working carers and older people in need of care can also receive advice. Object The task of the specialist centers for family caregivers is to provide ongoing psychosocial advice to family caregivers in open cooperation with all those involved in the care network, to accompany them (also in the long term) and to support them with relief services. Recipients of funding Recipients of funding are primarily the associations of independent welfare services and their affiliated organizations, non-profit foundations and private providers, insofar as they carry out work with relatives and employ specialists. Eligible expenditure Personnel and material expenses of the specialist unit.

	Type and amount The state grant is awarded as fixed-amount funding within the framework of project funding. The possible funding lump sum is based on the number of eligible specialists employed by the specialist unit. For a full-time specialist, the lump sum is up to 24,000.00 euros per year.
Erforderliche Unterlagen	• Project description (structure, implementation, quality assurance, management) • Municipal endorsement for the specialist unit (Proof according to section I. 2. no. 2.3.3 of the guideline for funding in the "Bavarian Care Network") • Further information on how to apply can be found on the homepage of the Bavarian State Office for Care.
Voraussetzungen	The individual requirements for the funding of a specialist center for caregiving relatives are regulated in Section I. 2. of the guidelines for funding in the "Bavarian Care Network". The flat-rate funding is granted in particular for trained care professionals and social education workers and comparable academic qualifications who are familiar with the support options for family caregivers due to several years of professional experience or who have taken part in appropriate further training. Priority must be given to statutory benefits. The specialist centers for family caregivers require municipal approval from the district or independent city in which they wish to operate.
Kosten	none
Verfahrensablauf	The application must be submitted in writing or electronically to the Bavarian State Office for Nursing. The forms provided must be used.
Bearbeitungsdauer	
Frist	Applications must be submitted by December 31 of the year preceding the funding year.
