Teaser	Family care helps to support families in special emergency and crisis situations and to avoid children being placed in alternative care. The providers of family care centers can receive a grant as part of project funding.
Volltext	Purpose The purpose of the funding is to facilitate the continuation of family care stations and to ensure a nationwide supply of qualified specialists, including through binding forms of cooperation. Object The object of the funding is the expenditure of the family care centers for family care. The qualified specialist takes over the care and upbringing of the children as well as the care of the household. Recipients of funding Recipients of funding are non-profit welfare associations and their affiliated organizations, non-profit foundations and private providers, insofar as they are responsible for family care stations and employ specialists there. Eligible expenditure Personnel and material expenses of the family care center. Type and amount The state grant is awarded as fixed-amount funding
