according to a population key per district/city.

Recipients of funding

Eligible applicants are Bavarian care associations recognized in accordance with Art. 4 of the Bavarian Act on the Implementation of Care Law Regulations (BayAGBtG) in conjunction with § 14 of the Care Organization Act (BtOG).

A transitional period until 31.12.2024 applies to previously recognized care associations within Bavaria that do not yet meet the recognition requirements according to Art. 4 BayAGBtG that have been in force since 01.01.2023.

Eligible costs

Eligible costs are the necessary personnel and material expenses for the fulfillment of the legally defined cross-sectional tasks.

Type and amount

The state grants are awarded as fixed-amount funding to the following extent:

Personnel expenses

In the case of personnel expenditure, funding is provided for expenditure on suitable specialist staff and administrative staff to perform the cross-sectional tasks.

A maximum of one full specialist position and one quarter of an administrative position per 100,000 adult inhabitants is eligible for funding per administrative district or independent city (local authority).

The maximum grant per local authority is divided equally between the eligible care associations of the local authority. The care associations of a local authority may agree a different distribution formula.

Material expenditure

Modul

Sachverhalt

The following material expenses for the performance of cross-sectional tasks are eligible for funding:

- Premises costs
- Hardware and software for electronic data processing, for central information and communication services and for office machines
- office supplies
- insurance
- Connection and usage costs for telecommunications and Internet as well as postage
- Travel expenses for specialists
- Expenses for public relations work and events, including room rental and training materials
- Training, further training and supervision costs including travel expenses
