Handlungsgrundlage	
Teaser	Bavarian state associations of people with disabilities can receive a grant from the Free State of Bavaria for their association work.
Volltext	<p>Purpose</p> <p>The grant is intended to help disabled people's associations that play a significant role in supporting disabled people at state level to fulfill their tasks. It is primarily intended to support smaller, financially weak organizations that are strongly characterized by voluntary commitment in continuing and expanding their care work.</p> <p>Object</p> <p>Funding is provided for support work to improve the participation of people with disabilities. This includes the following measures and tasks in particular: General advice; information and educational offers; public relations work; cooperation with services and networks; recruitment, training and coordination of volunteers; organization of leisure, educational and meeting measures; support for self-help groups and self-help activists, e.g. in setting up and leading groups and implementing measures.</p> <p>Beneficiaries</p> <p>Recipients of funding are state associations for the disabled that regularly provide comprehensive advice and support to people with disabilities or provide advice and support in a significant area of their lives. The state associations for the disabled may pass on the grants awarded to them to their affiliated sub-groups at regional and local level in accordance with the grant notice.</p> <p>Type and amount</p>
