| Teaser                     | Associations, municipalities, initiatives or groups that want to draw attention to the issues of Salafism/Islamism, right-wing radicalism, left-wing radicalism or anti-Semitism with projects can be supported by the Free State of Bavaria.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Volltext                   | <p>Purpose</p> <p>The aim is to develop, test, implement and evaluate measures for the prevention of Salafism/Islamism, right-wing and left-wing radicalism and anti-Semitism with significance for the whole of Bavaria.</p> <p>Object</p> <p>Projects for the prevention of radicalization can be funded by the Free State of Bavaria. For example, projects can be funded that take a strong stance against radical positions or that network or sensitize the various local players.</p> <p>Recipients of funding</p> <p>Legally responsible organizations with a connection to the prevention of radicalization are eligible to apply, but not individuals.</p> <p>Eligible costs</p> <p>Material, personnel and administrative costs can be funded in accordance with the Radicalization Prevention Guidelines (RPR).</p> |

| Hinweise          | <p>The project will (if applicable) become a partner in the area of prevention in "Bavaria's Network for Prevention and Deradicalization against Salafism" and the "Bavarian Action Concept against Right-Wing Extremism". The project sponsors are invited to events, networking meetings, etc. accordingly. Constant exchange with the Bavaria-wide structures is expected.</p>                                                                                                                                                                                                                                                                                                         |
