Volltext	<p>Child start-up allowance</p> <p>In November 2024, the Bavarian Council of Ministers decided to further develop the voluntary benefits for families in Bavaria. The family allowance and crèche allowance will therefore be combined into a one-off benefit, the Kinderstartgeld, in future. Further money will flow into the childcare system.</p> <p>For children born on or after January 1, 2025, there will be a child starter allowance. This one-off benefit of 3,000 euros is to be paid out on the child's first birthday.</p> <p>There will be no changes for parents who already receive the Bavarian family allowance. The Ministry of Family Affairs is currently working on the key points for the child starter allowance, after which the parliamentary procedure for the necessary legal changes will be carried out. This must be awaited.</p> <p>Bavarian family allowance</p> <p>With the Bavarian family allowance, the former Bavarian childcare allowance and the Bavarian state child-raising allowance have been combined and topped up.</p> <p>The family allowance is paid regardless of income, employment and type of care.
