participants are eligible to apply.

Project sponsors can be companies, business organizations, such as chambers, associations or guilds, and municipalities. Consultancies are excluded from project sponsorship.

Project group participants are commercial enterprises, freelancers, business organizations, such as chambers, associations or guilds, or municipal enterprises and municipal companies based or established in Bavaria.

Eligible expenditure

Funding is available for

- Expenses for group and individual consultations
- Validation, certification or external audit of the management system introduced and its one-off revalidation or recertification
- Expenses incurred by the project sponsor for organizational management
- Appropriate and proven rental expenses

Type and amount

The grant is provided as project funding in the form of pro rata financing.

A grant amounting to 80% of the eligible expenditure is awarded. The eligible expenditure of the project sponsor is recognized up to a maximum of EUR 3,000. The eligible expenses of the project group participants are recognized depending on the focus of the funded environmentally oriented management.
