Modul

Sachverhalt

Eligible expenses include the hourly remuneration incurred for the interpreting service itself and compensation for any travel time of the interpreter. Eligible maximum amounts have been defined. Also eligible for funding are expenses for the provision of a telephone interpreting service (including one-off set-up costs), expenses for a webcam to the extent necessary and expenses for training measures to expand skills for the organization of a consultation setting with interpreters.

Type and scope

The state grant is awarded as part of project funding as partial funding with a maximum limit.

Erforderliche Unterlagen

Voraussetzungen

The language and sign language interpreting services must be provided in connection with the counseling and support of women affected by violence in accordance with the tasks set out in the guidelines for the funding of women's shelters, specialist counseling centers (emergency calls) and intervention centers in Bavaria dated 24.02.2022 or in the currently valid version; this also includes counseling and support for women affected by violence in state-funded second-stage projects.

The training measure must aim to train the counseling specialist to design a counseling setting with interpreters (e.g. also for telephone or video interpreting).

The grant recipient must contribute ten percent of the eligible expenditure.
