Teaser	The responsible government grants recognition for eye test centers. Holders of this recognition are authorized to carry out eye tests for the acquisition of a driver's license.
Volltext	Anyone wishing to carry out eye tests to obtain a driver's license who is not already considered an officially recognized eye test centre under the provisions of the Driving Licence Ordinance (Fahrerlaubnis-Verordnung - FeV) requires recognition by the respective government in accordance with Section 67 (1) of the Driving Licence Ordinance (Fahrerlaubnis-Verordnung - FeV). Pursuant to Section 67 (4) and (5) FeV, officially recognized vision testing centres are opticians' businesses, assessment centres for driving fitness, doctors from the public health department or other doctors from the public administration as well as doctors with the specialty title "occupational medicine" or doctors with the additional title "occupational medicine". Officially recognized vision testing centres may carry out vision tests and issue vision test certificates, which must be presented to a driver's license authority for the issue of a driver's license for categories AM, A1, A2, A, B, BE, L or T.
