Hinweise	There is also a certificate of instruction for security personnel. After the training, you may only take on simple security tasks. For the more difficult tasks mentioned above, you will need to pass the examination. The training is also not sufficient preparation for the examination. However, passing the examination does replace the training for the security industry.

Modul	Sachverhalt
	<p>The examination is often the entry qualification for working in the security industry. For this reason, there are also preparatory courses in many regions that can be funded in accordance with the SGB. Information on this can be obtained from the employment agencies and job centers.</p>
