Teaser	The erection and use of temporary structures requiring a permit must be reported.
Volltext	<p>Temporary structures are structures that are suitable and intended to be repeatedly erected and dismantled at different locations. Temporary structures include, for example, grandstands, stages with or without canopies, advertising towers, tents of all kinds, air structures, rides (from swing boats to Ferris wheels), amusement rides, amusement and sales stores, catering facilities, etc. Construction site facilities and installations in amusement parks are not temporary structures.</p> <p>The building supervisory authority must be notified at least one week in advance of the intended erection of temporary structures requiring approval, together with the inspection log book, unless this is not required under the construction permit.</p> <p>Temporary structures requiring approval may only be put into operation if</p> <ul style="list-style-type: none"> • they have been accepted by the building supervisory authority (acceptance for use), unless this is not required under the construction permit or the building supervisory authority waives this requirement in individual cases, and • the inspections prescribed in the building permit have been carried out by experts in accordance with Art. 72 Para. 2 Sentence 3 of the Bavarian Building Code (BayBO).
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Site plan on a scale of 1:1000 • Original inspection book

Modul	Sachverhalt
	<ul style="list-style-type: none"> • in individual cases, if necessary, further documents • The following documents are required:
Voraussetzungen	<p>Temporary structures requiring a permit may only be erected and put into use if a building permit has been issued before they are erected or put into use for the first time.</p> <p>Construction permits issued by other states of the Federal Republic of Germany are also valid in the Free State of Bavaria.</p>
Kosten	Depending on the procedure, the fee range is EUR 40 to 1,000.
Verfahrensablauf	Temporary structures requiring approval must be reported to the building supervisory authority.
Bearbeitungsdauer	
Frist	The building supervisory authority must be notified of the intended erection of temporary structures requiring approval at least one week in advance, together with the inspection log book, unless this is not required under the construction permit.
