Teaser	You need a permit if you want to offer excursions or vacation destination trips with passenger cars.
Volltext	<p>In the case of excursion trips or vacation destination trips, you as the entrepreneur determine the scope and destination of the trips in advance. The journeys must return to the point of departure at the end. Passengers must have a ticket valid for the entire route, on which the price is stated. You may not take passengers who only wish to travel part of the route.</p> <p>You can obtain the permit for a maximum of five years if you use passenger cars. After that, you can apply for an extension.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> <li>• The following documents are required for approval: Certificate of good conduct (not older than three months at the time of application) Information from the Central Trade Register (not older than three months when application is made) Extract from the central traffic register (not older than three months when application is made) Extract from the commercial or cooperative register (as certified copies) Copy of the articles of association and the list of shareholders in the case of legal entities: Proof of power of representation Certificate in tax matters from the tax office (not older than three months at the time of application) Certificate in tax matters from the responsible municipality (not older than three months when application is made) Certificate of no objection from the social security authorities You will need the certificate from health insurance funds with which you insure or have insured employees, as well as for yourself, if you are or were voluntarily/privately insured. Certificate of no objection from the Berufsgenossenschaft für Fahrzeughaltungen (BgF)</li> </ul>
