Teaser	Private - state-approved or state-recognized - vocational schools for nursing can apply for investment cost support.
Volltext	<p>Purpose</p> <p>In accordance with Art. 23 and 44 of the Bavarian Budget Code (BayHO), the Free State of Bavaria grants subsidies to support certain investment costs for the room and office equipment of private vocational nursing schools in accordance with these guidelines and the administrative regulations on Art. 23 and 44 BayHO.</p> <p>Since April 1, 2020, the generalist training to become a nursing specialist has been taking place at newly established vocational schools for nursing. The introduction of the new type of school in place of the previous vocational schools for nursing, pediatric nursing and geriatric nursing and the associated switch to a financing system that is essentially laid down in federal law (Nursing Professions Act - PflBG; Nursing Professions Training Financing Ordinance - PflAFinV) should not put the school authorities in a worse position than would have been the case if the previous state law financing system had continued to apply.</p> <p>The refinancing of investment costs for premises and office equipment is intended to cover financial gaps in the federal training allowance for nursing schools. Voluntary financial support is granted for this purpose within the scope of available budget funds.</p> <p>Object</p> <p>The object of the funding is the operation of a</p>

Sachverhalt

vocational school for nursing.

Recipient of the grant

The recipients of applications and funding are state-approved or state-recognized vocational nursing schools in Bavaria, provided that these institutions are legal entities under public or private law and operate on a non-profit basis (Art. 29 para. 2 BaySchFG analogously).

Eligible costs

Eligible costs are expenses for items of office and business equipment, provided that these exceed the limit of Section 6 (2) EStG per item. In the case of consumer goods and consumables, proof must be provided on a case-by-case basis that they are items of office furniture and equipment and are not refinanced via the flat-rate training allowance pursuant to Section 30 (1) sentence 2 PflBG.

Type and amount

The grant for office and business equipment is provided as a non-repayable subsidy (project funding) as part of partial funding. The maximum funding rate is 90 percent of the eligible expenditure. An own contribution of at least EUR 800 per item purchased, but at least 10 percent of the total eligible expenditure, remains with the sponsor.

Erforderliche Unterlagen

- The following documents are required for the application: Table with details of items of room and office equipment for which a grant is being applied for (see under "Forms") Confirmation of receipt of the lump-sum training budget in accordance with §§ 29, 30 of the Nursing Professions Act from the Bavarian Nursing Training Fund GmbH Current certificate of non-profit status from the tax office Proof of use for a grant for fixed assets
- The following form is required for the proof of use: Proof of use for a grant for fixed assets. The right to request further supporting documents is reserved.

Voraussetzungen

- An investment cost subsidy is provided to sponsors of state-approved or state-recognized vocational nursing schools in Bavaria, provided that these sponsors are legal entities under public or private law and operate on a non-profit basis.
- The recipient of the grant receives a flat-rate training budget from Pflegeausbildungsfonds Bayern GmbH in accordance with Sections 29 and 30 of the Nursing Professions Act and Section 8 of the Nursing Professions Training Financing Ordinance.
- Sponsors of vocational nursing schools that are necessarily associated with a hospital as defined in Section 2 No. 1a e and f of the Hospital Financing Act and are included in the hospital plan of the Free State of Bavaria do not receive funding on the basis of these funding guidelines.
- Multiple funding is not permitted. Grants will not be awarded for expenditure on room and office equipment if the expenditure is refinanced under other state and federal programs. The costs for items that are purchased or manufactured for the initial establishment of a vocational school for nursing, that directly serve the theoretical and practical training and are approved by the school authorities cannot be funded in accordance with these guidelines.
