Teaser	You need a rental car permit if you want to transport people commercially with rental cars. This does not refer to the rental of vehicles to self-drivers.
Volltext	<p>Transportation with rental cars is the transportation of persons with passenger cars that are only rented for transportation as a whole and with which the entrepreneur carries out journeys whose purpose, destination and course are determined by the renter and which are not transportation with cabs and not bundled on-demand transportation.</p> <p>This does not include the rental of vehicles to self-drivers.</p> <p>You may only hire out the vehicle as a whole. The hirer (passenger) determines the purpose, destination and schedule of the journeys.</p> <p>You can obtain the permit for a maximum of five years. After that, you can apply for an extension.</p> <p>Rental cars differ from cabs as follows:</p> <ul style="list-style-type: none"> <li>• You may not keep hire cars available in public places/roads for the transportation of passengers. They must return to the company's place of business after each transportation.</li> <li>• They have no obligation to operate or carry passengers.</li> <li>• The fare can be freely agreed. However, they must calculate it using a distance meter.</li> <li>• The color of the vehicles is not specified.</li> <li>• The number of permits is not limited.</li> <li>• You must affix a blue registration license plate to the rear window of your rental vehicle; the registration</li> </ul>
