Teaser	If you, as a food business operator, carry out activities related to the production, processing and distribution of food (including e-commerce), you must register with the competent district administrative authority.
Volltext	Food businesses are all businesses that carry out activities related to the production, processing and distribution of food. Food business operators are obliged to report the businesses under their control and important changes in activities as well as business closures. This applies to all businesses that are active at any stage of the processing, production or distribution of food. Registration takes place at the competent district administrative authority. Food businesses are, for example • Operators of food vending machines • bakeries • cafés • Retail stores that carry food or food supplements in their product range • Ice cream parlors • Producers of food of animal origin

Modul
