| Hinweise                     | Each inquiring person / body must indicate whether the inquiry is used for private or commercial purposes. In addition, information is only possible if the person / entity making the request declares that the data will not be used for advertising or address trading purposes. If the person or body making the request requests the data for commercial use, the exact purpose of the request must be stated and the information from the register must then only be used for this purpose.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Rechtsbehelf                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
