Teaser	New fireplaces and/or exhaust systems must be inspected and approved by the responsible district chimney sweep before they are put into operation. Any changes to existing fireplaces and/or exhaust systems must be reported to the responsible district chimney sweep.
Volltext	The district chimney sweep is responsible for so-called sovereign tasks such as • the acceptance of new combustion plants, • the fireplace inspection and the preparation of the fireplace certificate • keeping the sweeping log Each address has a district chimney sweep assigned to it. If you need one of these tasks carried out at your

Modul	Sachverhalt
	address, you must commission the assigned district chimney sweep.
Erforderliche Unterlagen	For the acceptance of a fireplace and/or an exhaust system, the data on the devices, proof of usability and calculations on discharge conditions are required. You can obtain details of the necessary documents from your district chimney sweep.
Voraussetzungen	No
Kosten	The fees for the sovereign activities are calculated according to the Ordinance on Chimney Sweeping in conjunction with the federal sweeping and inspection regulations (see links).
Verfahrensablauf	You find out for yourself which district chimney sweep is responsible for your address and commission the person.
Bearbeitungsdauer	The processing time varies depending on the type and scope of the work to be carried out.
Frist	Certain chimney sweeping tasks must be completed within a certain time limit. The district chimney sweep for your address will ensure that these tasks are completed on time. If necessary, you must provide evidence that the work has been carried out.
