Hinweise

There are the following hints: You can apply for death certificates in writing (letter post, e-mail, fax). It is not possible to apply by telephone. If you no longer know the location of the event registered in the registry office, please contact the general register of the Hamburg registry offices in writing or by email. There you can find out which registry office has notarized the civil status case. For civil status cases (birth, marriage, death) that have been certified in a Hamburg registry office since 2009, further certificates can be issued in all Hamburg registry offices. These documents are provided with the addition "Certificate according to § 67 paragraph 3 of the Personal Status Act". Please note that these certificates are not recognized abroad. For such purposes, please use documents that were issued by the originally responsible registry office. For death certificates of deaths more than 30 years ago, please contact the Hamburg State Archives (see links). You can have the death certificate provided with an apostille (= additional authentication) at the Office for Migration. For this purpose, it must not be older than 6 months.
