Verfahrensablauf	Receipt of the application. Review and processing of the application. Forwarding to the medical specialist service. Here, membership of the group of people according to Section 99 of the Social Code (SGB) IX in conjunction with Section 53 of the SGB XII in the version of December 31, 2019 is determined. Once the group of people has been determined, the application is forwarded to the Social Pedagogical Service - Personal Budget Department. A budget conference is held here with the applicant in which the target agreements are recorded. An approval is then given. The approval of integration assistance benefits under SGB IX and, if applicable, the approval of subsistence benefits under SGB XII is then carried out by the benefits law specialist service.

Kurztext	People with disabilities and those at risk of disability who are registered as having their main residence in Hamburg apply for their personal budget at the relevant district office (see link Integration Assistance). The personal budget is not a new benefit, but simply a different form of granting and providing benefits. It is provided in the form of a cash benefit or as a voucher.

Modul	Sachverhalt
	The individual support requirement can be tailored to suit individual needs using the personal budget. The affected person decides for themselves who will support them, in what form and to what extent. The personal budget can not only include benefits from one provider (cross-provider personal budget)
