Handlungsgrundlage	§ 9 paragraph 1 Advancement Training Promotion Act (AFBG)
Teaser	In order for your professional advancement training to be funded by the Advancement BAföG, you must provide evidence of your previous qualifications.
Volltext	<p>In order to have your professional advancement training funded by the Advancement BAföG, you must prove your previous qualifications.</p> <p>The document required for this is the so-called "Form Z". You must use this form to confirm that you meet the technical admission requirements for the examination or that you can fulfill them before the examination. The office that also conducts the final examination for the degree you are aiming for is responsible for this.</p> <p>Typically, you qualify either by completing initial vocational training and/or professional practice. Even if you dropped out of college, have professional experience or have a bachelor's degree, you can prove that you have the necessary pre-qualifications. The exact requirements are set out in the examination regulations for the respective advanced training qualification.</p>

Modul	Sachverhalt
	<p>With the confirmation of your pre-qualification, you can then apply for the so-called "Meister-BAföG". Depending on the federal state, BAföG offices or other authorities are responsible for this.</p>
