Hinweise	The tax office for transfer taxes and property is centrally responsible for setting the dog tax in Hamburg. A tax exemption is possible upon application to the tax office, e.g. if you receive benefits to secure your livelihood or if you have a severe disability of at least 50 percent. In addition, there are tax reductions for dogs from the animal shelter upon request. Exemption, reduction and waiver are not possible for dangerous dogs within the meaning of the Dog Act. The dog registry is responsible for classifying dogs as dangerous. The tax characters ("dog tags") have been abolished. No tax characters have been issued since 01.01.2021. It is not necessary to return tax characters to the tax office for transfer taxes and real estate.
