Volltext	Recipients of unemployment benefit II, social benefits, benefits under the Social Security Code XII (social assistance, basic security), benefits under Paragraphs 2 or 3 of the Asylum Seekers Benefits Act, housing benefit or child allowance under the Federal Child Benefit Act can receive this benefit as part of the education package. Schoolchildren receive additional support (tutoring) free of charge if the school believes that the achievement of the learning objective is at risk. The school's certificate conference decides in which subject or learning area the students need learning support. The school then advises the parents and makes a corresponding offer. The school is responsible for providing information about service providers. Pupils under the age of 25 who attend a general or vocational school are entitled. Vocational school students who receive training allowance cannot receive any benefits. The age limit of 25 years does not apply to beneficiaries under SGB XII and the AsylbLG.
