These inquiries must be made in writing by post / fax or on site. The evidence required for the decision on

the applications for premature deletion must be submitted in the original or sent by post. At the address www.vollstreckungsportal.de, anyone can register free of charge for inspection and then, as a person authorized to view, for a fee, access information about debtors and / or, as debtors, see whether and which information is provided about oneself. The old Hamburg debtor directory will continue to exist until the last entry has been deleted (i.e. approx. 5 years with a steadily decreasing database), as the old data will not be transferred to the new portal. Attention: The following link must currently be used to log in after registration and activation: <https://www.vollstreckungsportal.de/auskunft/allg/willkommen.jsf> (menu items: - Register) Registered debtors have the option of viewing their entry free of charge at <https://www.vollstreckungsportal.de/auskunft/allg/willkommen.jsf> (menu item Registration for self-disclosure) without prior registration using their debtor's pin. The PIN is automatically forwarded to the debtor. If the PIN letter cannot be delivered, the return letter will be sent from the enforcement portal to the responsible central enforcement court. Debtors can pick up the PIN in person at the Central Enforcement Court during office hours. As before, every registered person who has a legitimate interest in this - for example a titled (i.e. for example determined by judgment) claim or to avert economic disadvantages that arise from the debtor's payment obligations - will be allowed to see the central debtor directory does not comply, e.g. a landlord wants to find out about the creditworthiness of the potential tenant - explains.
