Would you like to work in a healthcare profession in
 Germany? Then you need a state permit. You can have
 your foreign professional qualification recognised.

Modul	Sachverhalt
Volltext	In order to be allowed to work in a healthcare profession in Germany, you need a professional permit. For this purpose, the equivalence of your foreign training with the German training will be checked. If there is equivalence, you can get a work permit if the requirements are met. If there is no equivalence, you must first complete an adjustment measure (aptitude test/adjustment course) before you can receive a work permit.
Erforderliche Unterlagen	(see requirements)
Voraussetzungen	• Application + questionnaire (original) • Diploma / certificate (original or certified copy + translation) • If applicable, certificate of conformity (original or certified copy) • CV (with details from / to, with original signature) • Confirmation of registration or proof of employment or declaration of intent that the profession is to be practiced in the Free and Hanseatic City of Hamburg in the future • Passport / ID (copy) • Possibly. marriage certificate • Proof of work (if available) • Proof of hours / proof of theoretical and practical training • Power of attorney, if applicable (original) • If necessary, confirmation of assumption of costs (original) For the issuance of the certificate after completion of the recognition procedure, the following are also required: • Medical certificate • criminal record • Proof of German language skills B2 (original or certified copy)
Kosten	There are fees for the recognition procedure, depending on the effort, of up to 600 euros, plus additional costs for aptitude or knowledge tests, adaptation courses or expert reports.
Verfahrensablauf
