Teaser	If you want to work as an expert or expert for long-term storage in accordance with the Landfill Ordinance, you must be appointed to do so by the responsible authority.
Volltext	When decommissioning long-term storage facilities, operators must meet certain requirements so that the storage facility does not pose a danger to the general public or the environment. Experts regularly check that these requirements are being met. If you want to carry out the inspection, you must apply to the competent authority to appoint you as an expert or expert. The provision applies to the entire federal territory.
Erforderliche Unterlagen	Include with your application evidence and information about the required expertise, independence, reliability and technical equipment. If necessary, the responsible authority will request further documents or information from you. Copy of the certificate as an expert. If recognition is not available, the opinion of an expert committee set up at a chamber of commerce or chamber of industry and commerce for the assessment of an expert's expertise must be obtained for the technical assessment of the expertise.
