Teaser	Are you subject to the obligation to provide evidence for hazardous waste and do not want to take part in the electronic verification process? Then you can organize disposal using a collective disposal certificate from a carrier.
Volltext	The disposal, i.e. the recycling or disposal including the collection and transport of hazardous waste, is subject to a waste law verification procedure. You are obliged to do this as a waste producer as well as the owners, transporters, collectors and disposers of hazardous waste or the waste producer as well as the owner, transporter, collector and disposer of hazardous waste.
Erforderliche Unterlagen	• Required forms of the Evidence Ordinance • appropriate declaration analysis
Voraussetzungen	• If your company generates more than 2 tonnes of hazardous waste, a producer number must already be available (for entry in the acceptance certificate) • Access to the electronic verification process through a mailbox directly at the ZKS or via a provider. • For the necessary electronic signature of the verification documents, you need an electronic signature card. You can get this signature card from various providers. For the producer
Kosten	There are costs (65.00 EUR - 5,000.00 EUR)
Verfahrensablauf	• The collector or carrier prepares the responsible declaration • The waste disposal company supplements the declaration of proof with his or her declaration of

Modul	Sachverhalt
	acceptance (AE) • Submission of electronic evidence to the waste disposal authority • Confirmation of receipt with subsequent request from the disposal authority in the case of incomplete or incorrect documents or confirmation from the disposal authority in the case of complete and correct documents. • The collector keeps the accompanying notes (electronically) for each collection tour • Handover of the takeover note to the producer (paper; later electronic recording by collector).
Bearbeitungsdauer	1-4 weeks
Frist	The evidence must be valid at the time of disposal.
