Teaser	If you would like to set off fireworks with pyrotechnic objects, you must notify the responsible authorities in advance.
Volltext	Before you are allowed to set off pyrotechnic fireworks, you must display this. This is the case if the intended pyrotechnic items are those of category F2, F3, F4, P1, P2, T1 or T2. In the vicinity of buildings or systems that are particularly sensitive to fire, fireworks may only be set off at a sufficient distance and taking the wind direction into account (for rockets at least 200 m and otherwise at least 50 m away). The burning of pyrotechnic objects in the immediate vicinity of churches, hospitals, kindergartens and retirement homes as well as half-timbered houses is prohibited. It should be noted that an advertisement can only be made under certain conditions.
