for a new identity card. The EU logo on the front of the ID card, introduced from August 2, 2021, does not mean that ID cards without this logo become invalid. The period of validity depends on your age at the time of application: under 24 years: identity card is valid for 6 years. 24 years and older: ID card is valid for 10 years. A provisional identity card is valid for a maximum of 3 months. You can submit the application to your identity card authority at your main place of residence, which is usually any Hamburg service. Applications can be submitted to any other identity card authority if an important reason is given. In this case, a non-responsibility surcharge applies, which means that the costs of the issuance increase. The approval of the identity card authority at the main place of residence is required for the issuance of the identity card; this will be obtained from Hamburg Service.

Verfahrensablauf

If you change your name, apply for the new identity card as follows: You can apply for an identity card in person at the Hamburg Service or, if you have more than one place of residence, at the identity card authority at your main place of residence. You can also apply for your identity card at any other identity card authority. But you need an important reason for this. If you contact the identity card authority you have selected beforehand, you can find out whether and to what extent they will recognize your reason. You can make an appointment online or by phone. When applying for the identity card, the authority checks the new name against the civil registry certificate on the name. When you apply, your Hamburg Service will inform you when you can pick up your identity card. Your identity card is produced centrally by Bundesdruckerei GmbH in Berlin. When applying, fingerprints are taken for storage in the document. You can arrange a pick-up appointment online or by telephone with Hamburg Service. You can find out what options your Hamburg Service offers when you apply for your identity card.

Bearbeitungsdauer

The application usually takes about 15 minutes. The processing time is usually around 3-4 weeks.
