Handlungsgrundlage	
Teaser	If you take over a facility that handles water-polluting substances, you must report this change of operator to the responsible authority.
Volltext	When taking over an existing system for handling water-polluting substances, you as the new operator of the system are obliged to report this change of operator to the responsible authority. By submitting the notification, you provide the responsible authority with information about the previous and new operators, the owner and the takeover of the system. The obligation to report does not apply to heating oil consumer systems.
Erforderliche Unterlagen	Contracts or agreements proving the change of operator
Voraussetzungen	
Kosten	Gebühr: Es fallen keine Kosten an
Verfahrensablauf	You report the change of ownership in writing to the

Modul	Sachverhalt
	responsible authority or use the online service. • Attach documents to your notification that prove the change of ownership. • You will receive confirmation of receipt of your ad • The responsible authority will check your documents for completeness and, if necessary, request any missing information or documents. • Your report will be saved with the responsible authority
Bearbeitungsdauer	It will take you about 10 minutes to file the complaint. The processing time in the responsible authority depends on the type and scope of the individual case.
Frist	The notification must be made no later than six weeks before the final change of operator takes place.
