Handlungsgrundlage	The ordinance on test engineers, test experts and technical tests (Test Ordinance - PVO)
Teaser	Would you like to be recognized as an inspector or inspector for technical systems and equipment?
Volltext	You can apply for recognition as an inspector for technical systems and equipment. A recognition procedure usually takes several months. Recognition takes place for individual disciplines within the meaning of § 14 PVO. With the successful completion of an expert report and the proof of the general requirements (§ 4 PVO) and the special requirements (§ 16 PVO) the recognition as an inspector takes place.
Erforderliche Unterlagen	According to the PVO, the application must contain the following documents, among others: Application form CV Testimonies criminal record Proof of place of business and any branches Evidence of special requirements (see PVO §10 point 2.) Further details on the application documents are listed on our website in the "Information sheet on the recognition of test engineers" (see Internet link).
Voraussetzungen	The prerequisites for recognition as a test expert are listed in the Test Ordinance (PVO), in particular in Sections 4 and 16.
Kosten	Gebühr: 450€ - 450€ usually EUR 450 for recognition.
Verfahrensablauf	The procedure is supervised by the test center for building technology of the recognition authority. With the successful completion of an expert report and the proof of the general requirements (§ 4 PVO) and the special requirements (§ 16 PVO) the recognition as an inspector takes place.
Bearbeitungsdauer	A recognition procedure usually takes several months.
