Volltext	<p>If you have information about advertising by a permit holder or advertising for an illegal offer or event, you can submit it anonymously. The publication of gambling advertisements is regulated in Germany. Only game providers who have received permission from the relevant authority to conduct gambling may advertise their gambling offerings (i.e. legal gambling offerings). If you are not sure whether you have discovered a violation of gambling advertising rules, find out beforehand in the State Treaty on Gambling. Here are a few pointers for you: Gambling advertising must not suggest that players can influence gambling. Between 6 a.m. and 9 p.m. (daily) no advertising for virtual slot machines, online poker and online casino games may be broadcast or broadcast on the Internet. Directly before or during the live transmission of sporting events, it is not permitted for advertising for sports betting on this sporting event to be broadcast on the transmitting channel. Information on gambling</p>

Verfahrensablauf	You can submit a tip online or in writing and remain completely anonymous if you wish. If you want to submit your notice online: In the whistleblower system, you describe your tip regarding the focus on advertising for legal or illegal gambling in a brief and concise manner. After sending your notification, you will receive a reference number from the system that you can use to send additional information to the responsible authority online or by post. The whistleblower system gives you the option of setting up an anonymous mailbox. The notice given and any additions are saved in this mailbox and the responsible authority can send you feedback on this. Note: The online service is currently under development and will then be made available to you In principle, you can also send information informally in writing to the responsible authority.
