Verfahrensablauf

You can apply for permission to host virtual slot games both online and in writing. If you want to apply in writing for permission to run virtual slot machine games: - In the first step, edit the "main application". - In the main application, provide information about the organizer, all authorized representatives and other responsible persons. Furthermore, information on the reliability of the organizer and information on sales and processing must be provided. - You must have completed your application before submitting it. It is permissible for required documents to be submitted later if they were not already available when the application was submitted. However, the competent authority can only process applications once all documents have been submitted. - In the course of the

Modul
Sachverhalt

application being processed by the competent authority, you must ensure that a security deposit of at least EUR 5 million and a maximum of EUR 50 million is provided. - After submitting the main application, you must submit a downstream application for each virtual slot game. Provide information on the technical access to the virtual slot machine games, as well as all the details (name, type, URL, category and the game rules). You can submit the subsequent application immediately after the main application, but no later than two weeks after the permission has been granted the main request. - After completion of the examination and approval by the joint gaming authority of the federal states (GGL), you will receive a permit by post. If you want to apply online: - Set up a corporate/citizen account online. - In this case, you will receive the permit directly via your service account - Communication with GGL also works via your service account - The remaining steps are identical to the written procedure

Bearbeitungsdauer

The processing depends to a large extent on the completeness and quality of the application documents and on the response time to any additional letters of demand. The processing time is at least 3 months.

Frist

Usually valid for 5 years. In justified individual cases, a shorter duration is possible

weiterführende Informationen
Hinweise

The BIS (Authority for Internal Affairs and Sport) in Hamburg is responsible for the formal inspection and approval (accompanying specialist authority in the country of implementation). The Saxony-Anhalt State Administration Office, Department 208, is responsible for the content of the transitional tasks relating to gambling

Rechtsbehelf

Opportunity to sue (instructions on how to appeal will be issued with the respective permit granted)
