Teaser	You can apply for registration or renewal of a radiation pass.
Volltext	If you work in a third-party facility in connection with the operation of third-party X-ray facilities or stray emitters, you need a radiation pass. You can register or renew a radiation pass with the responsible authority. The radiation pass is valid for 6 years and is the property of the radiation pass holder. A radiation pass is registered with the authority where the company has its headquarters.
Erforderliche Unterlagen	Radiation passport (with all required information and signatures) Write to SSR certificate (copy) (Certificate with radiation protection register number, issued by the Federal Office for Radiation Protection (BfS))
Voraussetzungen	The radiation passport must correspond to the model of a radiation passport according to general administrative regulations and contain all the necessary information.
Kosten	The registration of a radiation passport is subject to a fee. The fees are calculated according to the time spent in accordance with § 2 of the Hamburg fee schedule.
Verfahrensablauf	Complete the radiation passport completely. The radiation pass holder and the person responsible for radiation protection or the person responsible for
